

## **Fact Sheet ~ SB 27**

### **Please support Senate Bill 27**

**SB 27 gives Acupuncturists a voting seat on their governing board, The Montana Board of Medical Examiners.**

**This bill will have no state fiscal impact. The fiscal responsibility is supported by Acupuncturists, who strongly support adding the \$25 per year increase to their licensing fees.**

**The Board of Medical Examiners has voted in favor of adding a Licensed Acupuncturist to the board and supports SB 27.**

**The Board of Medical examiners has licensed and governed the profession of Acupuncture since the first Acupuncture Practice Act of 1974. In those 37 years, Acupuncturists have had a good working relationship with the board.**

**Licensed Acupuncturists should have a voice and vote on the board that governs their licensing and professional conduct.**
